First run starts at 8:00 a.m. on Saturday and Sunday. All times are tentative. Check final confirmation notices for updates. Times may change due to entries.

NOTICE TO COMPETITORS

USDAA official rules & regulations, as amended March 30, 2007, are hereby incorporated by reference, an electronic copy of which may be accessed online at www.usdaa.com, Rules & Regulations. Competitors, through submission of entry, acknowledge that they are knowledgeable of USDAA rules and regulations including but not limited to the following rules regarding entry:

All dogs must be registered with USDAA. Registration may be made concurrently with your entry using the form provided in this test schedule. To obtain a registration number at a reduced fee immediately and a height card prior to the show, go online to www.usdaa.com, General Information, Dog Registration. This test is open to all dogs at least 18 months of age, including purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury or illness that may affect the dog's ability to perform safely, or dogs exhibiting signs of aggression.

No entries shall be accepted, changed, altered or withdrawn after closing, except that an entrant may move up in class level as provided under "Advancement in Level."

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the committee view that participation by competitor or dog would be prejudicial to the sport. However, any committee so doing must notify the competitor in writing (with a copy to the USDAA office) in anticipation of or upon receipt of entry. The notice must include the reason for refusing the entry and a brief explanation of the basis for their decision. The burden of responsibility for appropriateness of such action rests solely with the host group and its Organizing Committee.

All obstacles used at this test meet USDAA specifications as outlined in the USDAA Rules & Regulations.

No collars, leads, food, toys, or other aids or devices are allowed on a course at any time. USDAA regulations forbid any and all training, choke, pinch, or shock collars on or around the course at any time. Safety must always be of primary consideration in your actions and conduct. You alone are responsible for the behavior of your dogs and children. If your dogs or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, the Show Committee can ask you to leave the show site. In such case, we will not refund any fees.

Returned checks do not constitute a valid entry. There will be a \$20.00 service charge for returned checks. Payment of entry fees and service charges shall be made in cash or money order within 30 days of postmark of notice of return check. Any fees not received within 30 days of notice result in cancellation of event results for all classes for the registration number(s) of delinquent entry/entries. No reinstatement of results is possible, and all awards must be returned within 10 days of notification, or the dog's registration may be suspended pending restitution. Any unpaid fees or shortfalls must be paid prior to the start of the event or entry is canceled without recourse by owner/handler.

Confirmations will be mailed about a week before the trial. Confirmations will include check-in and start times.

Running Order/ Limits: Running order is determined by random draw. Handlers with more than one dog will have time to switch dogs. In the event of a large entry, the trial organizing committee and judge may establish fault limits. This means that after receiving a certain number of faults, you may be asked to leave the ring without completing the course.

Refunds: No refunds are given for entries withdrawn after the closing date except that refunds (less USDAA recording fees) will be given for bitches that come into season after the closing date. No refund is given if a dog or handler is dismissed from competition, regardless of the reason. No refund is given if the test cannot open or be completed due to riots, civil disturbances, fire, acts of god, public emergency, acts of a public enemy, or any other cause beyond the Show Committee's control.

Advancement in Level: Please contact Terri Wilson, Trial Secretary, for advancement in level after closing date. Advancement in level must be in by noon MST September 3, via email or phone. There is no next day advancement in level at this trial.

2008 Grand Prix of Dog Agility® World Championships & Performance National StandardSM - Local Qualifiers

These tournaments are open to all competitors regardless of titles earned or skill level. Both are a single-round tournament featuring the sport in its basic form. The course includes obstacles as set forth in Chapter 3 of USDAA Rules and Regulations for standard agility, except that no table obstacle shall be used. Standard scoring shall be applied.

Competitors that earn five (5) or fewer faults shall earn a qualifying score for which qualifying ribbons are presented. One qualifying score is required for entry in Round 1 of a Regional Championships. Additionally, the first place competitor in each height class who has earned a qualifying score shall be eligible to enter the final round of a Type 1 Regional Championship without regard to their score in the first round. Such eligibility shall be documented through a "bye" voucher. A competitor may earn more than one voucher, and the voucher is non-transferable, can be used only once and must be submitted with the competitor's entry form for a Type 1 Regional Championship. See complete rules and regulations for Regional Championships, which are hereby incorporated by reference.

SPECIAL NOTES: When a local qualifier is held in conjunction with an agility test where all levels of titling are NOT being offered, 'bye' vouchers will not be awarded. (e.g. Starters/Advanced only, Advanced/Masters only, Masters only) Competitors must place first with a qualifying score in each height class to be named Regional Champion and earn a bye in the World Championship semifinals, and advancing automatically to the World Championship finals. If at a regional championship a bye is earned by a competitor/dog team who has already earned a bye in that jump height, the bye is forfeited.

The rules may be found on the USDAA web site—General Information—Forms and Documents Library, or may be requested in writing by US mail from the USDAA office. A competitor must have two qualifications from local qualifiers, one of which may be from the first round of a Regional Championship, in order to qualify for entry to the world championship quarterfinals; however, where a competitor may choose to compete in both Grand Prix and Performance National Standard qualifiers during the current tournament season, the competitor is only eligible to compete in the championships of the tournament in which they have earned the most qualifications. Further, 2008 tournament rules stipulate that a competitor must compete all in Championship or all in Performance tournaments at Regional and National/World Championship events.

2008 DOG AGILITY STEEPLECHASE® LOCAL QUALIFIER

Description: The “Steeplechase” is a two-round tournament with emphasis on speed. Each round will be conducted on a jumpers-style course that shall include at least two spread hurdles, a long jump and an A-frame and weave poles. Either the A-Frame or weave poles shall be required to be performed twice. Top competitors as set forth below (see qualification and advancement) shall advance to Round 2 to compete for prize money and Tournament Top Ten points. Qualifiers as defined herein earn the right to enter either the quarterfinals or semifinals at the Dog Agility Steeplechase® championships to be held in autumn of 2008. This tournament is open to all competitors not entered in Performance Speed JumpingSM qualifier at this event regardless of titles earned.

Scoring: The tournament shall be conducted pursuant to USDAA Championship Program Starters level rules, except that scoring in each round shall be on a time plus faults basis, with a five-point penalty added to a competitor’s performance time for each occurrence of a fallen hurdle or missed contact; running the wrong course shall be scored as an elimination as defined under Masters rules.

Qualification & Advancement (For the purposes of this explanation, a score is anything other than elimination.)

Local Qualifiers:

Qualification shall be determined based upon the Round 1 scores of the top three dogs in each jump height provided there are at least 5 scores in the 12” or 16” height classes or 7 scores in the 22” and 26” height classes. The top three scores shall be averaged and multiplied by a factor of 1.25 to determine the maximum qualifying score for each jump height. Only competitors with scores equal to or less than the maximum qualifying score qualify.

Further, in the event that fewer than five competitors in any height class receive a score, the top three scores must be determined from the combined height division for small dogs (12” and 16”) or large dogs (22” and 26”) to determine the maximum qualifying score for all dogs competing in that division in the manner described above.

However, if there are fewer than five scores in a division, the top score from the division shall be used to calculate the maximum qualifying score. In this case, the top score shall be multiplied by a factor of 1.25 to determine the maximum qualifying score.

Qualifiers and placement winners (minimum of four, there is no maximum) in the height class are eligible to advance to Round 2 at a local qualifying event in order to compete for Top Ten points and prize money, provided they have finished the round with a score. Non-qualifying competitors running in Round 2 shall not be credited with a qualifying score regardless of their final standing and at the Regional level are not eligible to earn a bye based upon their score in Round 2. A finalist slot vacated by a competitor who has earned the right to compete in the final round shall be forfeited and no substitutions are allowed.

Regional Championships

The same process used for determining qualifying scores in Round 1 at the local qualifier will be applied in Round 1 at a Regional. To determine the maximum qualifying score in Round 2 at a Regional, the same method is applied, but the multiplier of 1.15 will be utilized. Any competitor in Round 2 with a score less than or equal to the maximum qualifying score as calculated in this manner will earn a 'bye' into the Steeplechase semifinals championships. Non-qualifying competitors are not eligible to run in Round 2 to satisfy numerical minimums. Any 'bye' that is earned may only be used by the handler/dog team who earned it and may not be transferred to another dog and/or handler.

Eligibility for Entry:

Regional Championships: A competitor must have one qualification at a local qualifier to be eligible to enter Round 1 of a Regional Championships.

World Championship:

Quarterfinals: Two qualifications, one of which may be from the first round of a Regional Championship will be required for entry.

Semifinals: Advancement from the quarterfinals by earning the equivalent of a qualifying score or by direct entry into the semifinal by having earned a 'bye' at a Regional Championship.

Program eligibility in Regional and National/World Championships shall be determined as follows: Where a competitor has qualifying scores in Championship Program tournaments and Performance Program tournaments, a competitor must enter all Championship Program tournaments unless the total number of qualifications earned in all Performance Program tournaments is greater.

Awards:

Local Qualifiers: Prize money shall be computed based upon 20% to 40% (at club’s discretion) of the total entry fees to be allocated in accordance with the payout table below regardless of the size of entry in any height class.

Regional Championships: Prize money shall be computed based upon 30% of the total entry fees to be allocated in accordance with the payout table below regardless of the size of entry in any height class.

*Allocable amounts to finalist positions that are not filled for any reason or allocable prize amounts less than \$3.00 shall not be paid.

2008 Performance Speed JumpingSM Tournament Qualifier

Description: This is a two-round tournament with emphasis on speed. Each round will be conducted on a jumpers-style course that shall include a long jump and an A-frame and weave poles. Either the A-Frame or weave poles shall be required to be performed twice. All obstacles are set according to Performance specifications. Top competitors as set forth below (see qualification and advancement) shall advance to Round 2 to compete for Tournament Top Ten Points and prizes or awards. Qualifiers as defined herein earn the right to enter either the semifinals at the Performance Speed JumpingSM championships to be held in autumn of 2008. This tournament is open to all competitors not entered in the Steeplechase qualifier at the same event regardless of titles earned.

Scoring: The tournament shall be conducted pursuant to USDAA Championship Program Starters level rules, except that scoring in each round shall be on a time plus faults basis, with a five-point penalty added to a competitor’s performance time for each occurrence of a fallen hurdle or missed contact; running the wrong course shall be scored as an elimination as defined under Masters rules.

Qualification & Advancement at Local Qualifiers:
(For the purposes of this explanation, a score is anything other than elimination.)

Qualification shall be determined based upon the Round 1 scores of the top three dogs in each jump height provided there are at least 5 scores in the 8” or 12” height classes or 7 scores in the 16” and 22” height classes. The top three scores shall be averaged and multiplied by a factor of 1.25 to determine the maximum qualifying score for each jump height. Only competitors with scores equal to or less than the maximum qualifying score qualify.

Further, in the event that fewer than five competitors in any height class receive a score, the top three scores must be determined from the combined height division for small dogs (8” and 12”) or large dogs (16” and 22”) to determine the maximum qualifying score for all dogs competing in that division in the manner described above. However, if there are fewer than five scores in a division, the top score from the division shall be used to calculate the maximum qualifying score. In this case, the top score shall be multiplied by a factor of 1.25 to determine the maximum qualifying score.

Qualifiers and placement winners (minimum of four, there is no maximum) in the height class are eligible to advance to Round 2 at a local qualifying event in order to compete for prizes and awards, provided they have finished the round with a score. Non-qualifying competitors running in Round 2 shall not be credited with a qualifying score regardless of their final standing. A finalist slot vacated by a competitor who has earned the right to compete in the final round shall be forfeited and no substitutions are allowed.

Program eligibility in Regional and National/World Championships shall be determined as follows: Where a competitor has qualifying scores in Championship Program tournaments and Performance Program tournaments, a competitor must enter all Championship Program tournaments unless the total number of qualifications earned in all Performance Program tournaments is greater.

Eligibility for Entry into the Championships:

Two qualifying scores as defined herein are required to enter the semifinals at the Performance Speed JumpingSM Championships to be held in autumn of 2008.

Awards:

Local Qualifier: Prizes or awards shall be provided at the club’s discretion.

Local Qualifier held in conjunction with a Regional Championship: Prizes or awards shall be awarded to first through third places in each jump height. Should prize money be awarded, the following table shall be utilized:

Height Class	1 st	2 nd	3 rd	Total*
8”	12%	8%	5%	25%
12”	12%	8%	5%	25%
16”	12%	8%	5%	25%
22”	12%	8%	5%	25%
Totals	48%	32%	20%	100%

*Allocable prize money to Round 2 positions that are not filled for any reason shall be forfeited.

Jump Heights: Following are the heights for the Championship Program, with the Performance Program heights in parentheses.

Dog Height	Jump Height	Long Jump	Table
Over 21”	26” (22”)	60”(48”)	24”(16”)
21” or less	22” (16”)	48” (36”)	24”(16”)
16” or less	16”(12”)	36”(24”)	16” (12”)
12” or less	12”(8”)	20”(12”)	12”(12”)

Awards:

Placement ribbons:

Test Classes: 1st – 3rd place ribbons in each height class. 1st – 3rd place ribbons for each of the Pairs mini and open divisions.

Grand Prix of Dog Agility® and Performance National StandardSM: 1st – 3rd place ribbons in each jump height.

Qualifying ribbons: Maroon ribbons for qualifying scores in titling classes.

Grand Prix of Dog Agility®: double maroon and white ribbons

Performance National StandardSM: double maroon and pink ribbons.

CLASS DESCRIPTIONS

Two certification programs will be offered at this event – Championship & Performance. Competitors may enter both Championship and Performance Program classes for which they are eligible; however, under NO circumstance may a dog be entered in the same Championship and Performance class at any level at this agility test. Classes include standard agility, gamblers, jumpers, pairs relay and snooker agility as set forth in Chapters 3 – 7 of USDAA Rules and Regulations, each of which are conducted at three competitive levels.

Championship Program:

The **Starters Standard** classes shall be for dogs that have not earned the Agility Dog® title or a Starters Standard title. Starters Non-standard classes shall be for dogs that have not earned a title in the class being entered (Starters Gamblers, Starters Jumpers, Starters Relay – 3 different partners required – or Starters Snooker) or a qualifying score in the equivalent non-standard class at the Advanced or Masters level. When offered separately as Starters and Novice classes, the Starters level classes are for dogs handled by a person who has not previously earned the Agility Dog® title or a title in the Performance or Veterans Program with any dog. Three qualifying scores in the standard class from two different judges along with one qualifying score in each of the standard classes is required to earn the Agility Dog® title.

The **Advanced Standard** classes shall be for dogs that have earned the Agility Dog® title or a Starters Standard title. Advanced Non-standard classes shall be for dogs that have earned the Agility Dog® title or that have earned a title in the equivalent non-standard class at the Starters level, but have not earned the

equivalent Advanced non-standard title or a qualifying score in the equivalent non-standard class at the Masters level. Three qualifying scores in the standard class from two different judges along with one qualifying score in each of the nonstandard classes is required to earn the Advanced Agility Dog® title.

The **Masters Standard** classes shall be for dogs that have earned the Advanced Agility Dog® title or the Advanced Standard title. Masters Non-standard classes shall be for dogs that have earned the Advanced Agility Dog® title, the equivalent non-standard title at the Advanced level, or that had previously qualified for entry into the equivalent Masters non-standard class prior to January 1, 2004.

Performance Program:

Generally, Performance Level I, Level II and Level III are run on courses used for Starters, Advanced and Masters classes in the Championship Program, with the following exceptions: the A-frame is set at 5’6”, jump heights are one height class lower as set forth in Notes to Competitors, no spread hurdles are utilized and time standards in the standard, jumpers classes are extended by 3 seconds beyond that utilized in the Championship Program. Eligibility is determined as follows:

The **Performance I Standard** classes shall be for any dog that has not earned the Performance Dog ISM title, the Performance Standard I title, or a qualifying score in the Performance II or Performance III standard classes. Performance I Non-standard classes shall be for any dog that has not earned a title in the class being entered (Performance I Gamblers, Performance I Jumpers, or Performance I Snooker) or a qualifying score in the equivalent non-standard class at the Performance II or Performance III level. Three qualifying scores in the standard class from two different judges along with one qualifying score in each of the nonstandard classes is required to earn the Performance Dog ISM title.

The **Performance II Standard** classes shall be for any dog that has earned the Performance Dog ISM title, the Performance Standard I title, the Agility Dog® title or the Veteran Agility DogSM title, but has not earned the Performance Dog IISM title or Performance Standard II title, or a qualifying score in the Performance III standard class. Performance II Non-standard classes shall be for dogs having earned the Performance Dog ISM title, the Agility Dog® title or a title in the equivalent Starters or Performance I non-standard class, but not having earned a title in the equivalent non-standard Performance II class or a qualifying score in the equivalent non-standard Performance III class. Three qualifying scores in the standard class from two different judges along with one qualifying score in each of the nonstandard classes is required to earn the Performance Dog IISM title.

The **Performance III Standard** classes shall be for any dog that has earned the Performance Dog IISM title, the Performance Standard II title, the Advanced Agility DogSM title, or the Veteran Advanced Agility DogSM title. Performance III Non-standard classes shall be for dogs having earned the Performance Dog IISM title, the Advanced Agility DogSM title, the equivalent non-standard title at the Advanced or

Performance II level, or that had previously qualified for entry into the equivalent Performance non-standard class prior to January 1, 2004.

Non-Standard Classes:

Gamblers Class: consists of a course with no pre-determined route and each obstacle is assigned a point value. In the ‘opening’ period the handler seeks to accumulate points by performing the obstacles of his / her choice in the time allotted. At the conclusion of the ‘opening’ the handler attempts the ‘gamble’, as a sequence designated by the judge to be handled from a distance, for additional points. This non-standard class is scored pursuant to the provisions of Chapters 6 & 7 of USDAA Rules and Regulations.

Jumpers Class: consists of a course of jumps and may include a tire and tunnels. This non-standard class is scored pursuant to the provisions of Chapters 6 & 7 of USDAA Rules and Regulations.

Snooker Class: has an ‘opening sequence of point collection similar to the Gamblers followed by a closing sequence of a set pattern. Roughly parallels the billiards game of ‘Snooker’, requiring the dog to successfully complete a ‘red’ jump prior to attempting an obstacle designated as any other color. This non-standard class is scored pursuant to the provisions of Chapters 6 & 7 of USDAA Rules and Regulations.

Pairs Relay: consists of a standard course with one dog and handler running a portion of the course, followed by a baton exchange to a second handler and dog who run the second portion of the course. Partners must be in the same level and in the same height division, mini (Ch12/16, Perf8/12) or open (Ch22/26, Perf16/22). In the event only one dog is entered in a program/level, un-entered dogs or dogs from another program/level may NOT be recruited to form a qualifying pair. This non-standard class is scored pursuant to the provisions of Chapters 6 & 7 of USDAA Rules and Regulations.

Work Assignment Preferences

It takes many people to put on an agility test. Can you or a member of your cheering section help? You do not need experience to make a difference – most jobs take only minutes to learn. You will meet other competitors, see runs from up close, and learn how the whole thing works. **Volunteers earn meal tickets redeemable toward lunch!** Choose your work preference(s) below and send in with your entry to: Terri Wilson, PO Box 1000, Corvallis, MT 95828

Phone: _____ E-Mail: _____

Job Descriptions:

- Timer: Clicks stopwatch when dog starts and finishes.
 Gate Steward: Keeps dogs and handlers moving into the ring in order.
 Scribe: Makes marks on paper when judge raises hand.
 Runner: Takes the score sheets from the Scribe over to the score table.
 Pole Setter: Changes heights of jumps; resets fallen bars.
 Chute Setter: Straightens chute fabric after each dog's run.
 Course Builder: Moves obstacles between classes as directed by Chief Course Builder.
 Leash Runner: Carries leashes from ring entry to exit.
 Score Table: Add up marks made by scribe and writes them on the master score sheet. (Two people always double-check each other's work, so it's hard to make mistakes.)
 Advance Setup: Sets up the rings, tables, etc. before the trial. Get your volunteering out of the way ahead of time!
 Teardown: Or wait until the end and help pack it all away.

DOG REGISTRATION APPLICATION - \$20.00

JUNIOR HANDLER REGISTRATION

APPLICATION - \$17.00

Dogs must be registered with USDAA in order to compete in USDAA sanctioned events. A registration card and number with a "U" prefix will be issued to facilitate entry at USDAA events and tracking of show results in the regular classes.

Junior handlers (those 18 years of age and younger) and their dogs must be separately registered for participation in the USDAA's Junior Handler Program (UJHP). A registration number with a "J" prefix will be assigned for use in entering UJHP events. A dog competing in both programs (regular classes and UJHP) must be registered separately for each program, for which the total fee is \$37.00.

General Agreement

I (we) agree that the ARRTI has the right to refuse this entry for cause, which the organizing committee alone shall deem to be sufficient. In consideration of the acceptance of this entry, of the holding of the event and of the opportunity to have the dog participate and/or to be judged, I (we) agree to hold the organizing committee, ARRTI, United States Dog Agility Association, Inc., including their members, officers, directors, agents and employees, sponsors of the event, and owners of the premises upon which the event is held and their employees harmless from any claim for loss or injury that may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the event premises or grounds or near any entrance thereto, and I (we) personally assume all responsibility and liability for any such claim. I (we) further agree to hold the aforementioned parties harmless from any claim for loss of this dog by disappearance, theft, death or otherwise, and from any claim for damage or injury to the dog, whether such loss, disappearance, appearance, theft, damage or injury, be cause or alleged to be caused by the negligence of the parties aforementioned, or by the negligence of any other person, or any other cause or causes. I (we) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time resulting there from, sustained by any person or persons, including myself (ourselves) or on ac-count of damage to property arising out of or in consequence of my (our) participation in this event, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or have been alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents or any other persons.

I further acknowledge that I have read, understand and will abide by the Official Rules and Regulations of the United States Dog Agility Association, Inc. and the provisions for entry as set forth in the Agility Test Schedule of which this entry form is a part. I acknowledge and represent that the information supplied by me herein is correct to the best of my knowledge; if any portion of this information is found to be invalid or insufficient to establish the validity of my entry, such finding shall render my entry invalid in its entirety, for which there shall be no refund of fees paid. Further, I represent that I am the owner of the dog listed hereon, or that I have full authority as agent for dog's owner and shall hold ARRTI, USDAA, including their officers, directors, employees and agents and their sponsors harmless from any liability or claims made by dog's owner.

Further, I hereby grant to United States Dog Agility Association, Inc., its representatives, agents and assigns, all rights and permission to use or appropriate my and the dog's name, biography, likeness, photograph, voice, performing persona, or other indicia of identity for broadcast, telecast, cablecast, transmission or distribution in any format or media now known or hereafter to become known. I hereby release USDAA, its representatives, agents and assigns from any claim or cause of action for invasion of the rights of privacy, right of personality or any similar right.
